Yes, we met yesterday, and we're prepared to talk about it. I will leave it up to Randy whether he wants to share the infographic via Skype.

Hi Education and Outreach workgroup,

We should have an agenda out shortly for this afternoon's call, but I wanted to make sure you all were aware we're going ask steering committees to do a short report-out on your progress with the various AR products on this afternoon's call.

We'll have a Skype link available if you'd like to show anything to the workgroup or you can just talk through the infographic.

Let me know if you have any questions.
